**LANDS FOR SALE.**  
OF GOOD QUALITY  
In the neighbourhood of Annapolis, consisting of the

**RISING SUN FARM**  
Formerly a Tavern, and last held by Henry H. Brown, called "The Plains," containing about 270 acres, and also adjoining it a body of 500 acres, known by the name of "The Hill," containing together upwards of 770 acres. These lands have all been enclosed by a good fence, much improved by plaster and other improvements, and are well adapted for cultivation—best of tobacco is raised in the neighbourhood, especially in this quality. There have been many improvements added to the house, and many other conveniences erected; it has been in the hands of the present possessors.  
A credit of one, two and three years will be given to the purchaser, paying one fourth of the purchase money down, and annual interest on the paid portions.  
Also for sale the Land formerly held by Henry H. Brown, called "The Plains," containing about 270 acres, on certain covenants. This land is advantageously situated on the bank of the Severn, with a most convenient landing on Plum Creek, is adapted for Plaster, and yields Tobacco of superior quality. This tract will be sold on the same terms of payment as the preceding one—and if the whole be not sold by private contract before the first Monday in October next, they will be sold that day, at 10 o'clock, as sold by public Vendue at the Rising Sun stand. Apply for particulars to Mr. James Pollard, on the premises, to Mr. Joseph Sands in Annapolis, or to the Subscribers in Baltimore.

**BODKIN NECK,**  
on the river Patuxent and the Bay, containing upwards of 1100 acres. This land is held by tenants under certain covenants, yielding \$700 a year. A part of it has commodious dwelling on it, and is in a high state of improvement. The supply of manure by deposition from the Bay, is beyond the wants of the land. There is an abundance of deer and wild turkey on the land, and a great portion of it is in wood of second and original growth. Its vicinity to Baltimore, its fisheries, and other circumstances independent of its value as a farm, give it great advantages.

I will also sell all the lands that are known by the name of "The Concession" and of Howard's Fancy, lately held by Major T. Dorsey and Mr. Yeakel, adjoining the Blackhorse tavern, nine miles from Annapolis. They contain together, about 600 acres, and constitute one of the first positions for a farm of any location in that section of the country.

The quality of the soil is a red loam similar to the best lands on West River. Plaster and clover will in one year produce great fertility, and wheat may be raised on it, yielding a great crop, as may be seen by the crops within the neighbourhood on lands of similar quality. There are the best natural meadows on this farm, of any in the neighbourhood. A long credit will be given to the purchaser for the greatest part of the money. Apply to Mr. Joseph Sands in Annapolis, or the subscribers in Baltimore.

**In Chancery, Nov. 14, 1820.**  
On the claim of Wm. Brewer, executor of John Quynn, in appearing in this case, by the proceedings, and the auditor's report of the 4th December, 1815, that there had been a specific and definitive appropriation among the representatives and survivors of Allen Quynn, sen. deceased, of the respective proportions of the money arising from the sale of the real estate, decreed by the chancellor to be sold. And it appearing also, that John Quynn had assigned to the said William Brewer a part of his distributive proportion, this said part amounting to \$345 19, and that the said assignment was made by the said John Quynn for a valuable consideration, and without notice of any claim by the creditors of the said Allen Quynn against the property sold as aforesaid. It is therefore, this 14th day of November, 1820, ordered, adjudged and decreed, by the chief judge of the third judicial district, acting as chancellor in this case, pursuant to the power and authority vested in him by the act of assembly concerning the chancery court, that the claim of the said William Brewer, be allowed, and that the report of the auditor be ratified and confirmed, as far as respects the claim of the said William Brewer, unless cause to the contrary be shown on or before the 20th day of December next.
